Summary:

Targeted directly at the younger generation of FaceBook and MySpace users the Flip Mino video camera, although its small size, can still record up to 60 minutes of video playback and it is easy to upload recorded videos into you PC and then onto YouTube or other popular video sharing sites on the web for sharing with friends and family.

Well, let's say, Flip Mino usually produces video in mp4 file extension and Windows media player and Windows Movie maker won't recognize Flip Mino naturally. Flip Video Mino Converter can easily convert Flip Mino video to avi, mpg, wmv and a variety of others that can be imported to WMM on Windows without any problem.

Flip Video Mino converter can convert between almost all audio and rip audio from Flip Mino. It is also an excellent video editing program that allows you to trim, rotate, crop, merge Flip Mino video and apply different rendering effect to the video. The cheap price and strong capacity really deserves you have it.

Key Features:

1. Supported Flip video camcorder:
Flip Mino and Flip Mino HD

2. Export Flip Mino Video to almost all popular formats:
Video: avi, mpg, mpeg, wmv, 3g2, 3gp, dv, vob, mkv, mov, mp4, flv, rm, rmvb
Audio: mp3, wav, wma, aac, ac3, flac, aiff, amr, m4a, mka, mp2, ra

4. Crop/Trim/Effect
Trim your video files to convert your favorite movie clips.
Crop your movie video to remove the black video sides.
Apply video effect like brightness, saturation, contrast, etc.

5. Real-time Preview
Provide two preview panes to let you look at the results first before converting.

6. Batch mode

Support to load as many as video/audio files at one time.

7. Capture still images from video

Capture your favorite pictures from your video files and save the captured pictures on your computer.
